**SPONSORSHIP OPPORTUNITY:
ANNUAL EDUCATION APPRECIATION STEAK DINNER**

The St. Mary Chamber of Commerce is pleased to continue the tradition of creating Business-to-Business social functions for all members and prospective members. This tradition has several objectives we wish to achieve and by working together we will achieve them! The first is to create a relaxed environment for our members to develop relationships that will increase opportunities for business growth and prosperity in our Parish. The second is for the St. Mary Chamber to create additional opportunities for fundraising so we can continue to serve you, our valued members. By working together, we can create higher visibility for your business and networking opportunities for all members, PLUS help fund St. Mary Parish Chamber of Commerce’s other valuable contributions to the businesses of our Parish.

On **June 29, 2023**, the Chamber will be hosting the **Annual Education Appreciation Night** at **Patterson Civic Center in Patterson**. Each year, this dinner provides the needed funds to continue the annual St. Mary Chamber of Commerce Scholarships. Eight students, one from each high school in the Parish, will be the recipients of a scholarship funded through this event. South Louisiana Community College is also awarded scholarships for students seeking further education. This event consists of a steak dinner provided by The Smokehouse, award and acknowledgements of the scholarship recipients, high school student and teachers of the year, a silent auction, and a live auction. We hope you will consider sponsoring this event. There are two opportunities available, Gold (\$500) and Silver (\$300). What a great way to market your company, make an impact in the lives of graduating seniors and have fun networking with other businesses in our Parish!
